My dear Appaji Gowda,

1. With reference to our telephone conversation of to-day, I am desired to say that the military authorities consider that a piece of ground between the Bellary road and Sankey's road (north of the Palace Orchard) would be particularly suitable for the artillery demonstration on the last day of the Turkish Press Delegation's visit to the State, owing to its proximity to the M.T. Centre, which the party will be visiting just before the demonstration.

2. The only possibility of damage would be the tracks left by the guns if the ground happens to be soft, otherwise there is no likelihood of any kind of damage. If the Mysore Government would be kind enough to allow the use of this piece of ground on the present occasion they may rest assured that this will not be treated as a precedent.

for using the ground similarly on future occasions.

3. I am to request that the permission of the Mysore Government may kindly be accorded to the use of this ground.

Yours sincerely,

Office of the Deputy Commissioner
Bangalore District
Dated 6th February 1943.

Dear Mr. Appaji Gowda,

SUBJECT:- Ground between the
Tumkur-Bellary Road and Sankey's
Road (North of the Palace Orchard)
for the Artillery demonstration by
the Military on the last day of the
Turkish Press Delegations visit to
the State.

With reference to your Office D.O.
letter No.3346/W. dated the 5th February 1943, asking for
report on the above subject, I write to say that the land
required by the Military was inspected by the Amildar,
Bangalore North Taluk this morning.

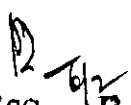

From the enclosed sketch furnished
by the Amildar, it is seen that the land required by the
Military for the artillery demonstration is in possession
of the Palace Department. It is an open land situated to
the North of the Palace Orchard and contains a TRIGONOMETRICAL
STATION and a Tower known as 'VAIYALISIKHARA' or KEMPEGOWDA'S
TOWER which is a preserved monument.

On two previous occasions when this
land was asked for by the Military for accomodation by the
M.T. Training Battallion and for Field Craft Training, the
application was not favourably considered by Government on the
ground that it is a Palace land (vide General Secretary's
letter No. P.O. 1.340/6-9-40 and Chief ~~Secretary~~ Secretary's letter
No. P.O. 1.1139/30-11-42.)

Should you still think that it is
expedient to allow the use of this land just for a day in view
of the assurance given by the Residency that this will not be
treated as a precedent for using the ground for similar purposes
on future occasions, I would suggest the desirability of your

consulting the Palace Authorities before orders are
passed in the matter.

Yours sincerely,

J. Appaji Gowda Esq., B.A., (Hons)

2. Would you be so kind as to let me have a very early reply as the matter is most urgent?
